Complete these four checks before clicking

Prepare

- Use your own account and role workspace.
- Use training data unless a manager authorises real data.
- Prepare the correct target, date, owner, and source records.
- Keep this PDF beside the system and complete one numbered step at a time.

Never

- Do not use another employee's account.
- Do not guess names, amounts, dates, statuses, or missing fields.
- Do not repeat Save, Apply, Approve, Publish, or Send when the result is unclear.
- Stop and ask the owner when the page differs.

ENGLISH SECTION · WORKFLOW OVERVIEW

School Application Service — Complete Workflow

1. Open School Application Service from the correct student profile and create a separate service draft.
2. Complete and check the parent details, schools, programmes, fees and payment arrangements, then save the draft.
3. Review the agreement and generate the current signing link; verify status and PDF after signing.
4. Check the invoice generated after signing and hand it to Finance; avoid duplicate invoices.
5. Check agreement and invoice status on the service page; follow the organisation's current process for application progress.

ENGLISH WORKFLOW · STEP 1 OF 5

Open School Application Service from the correct student profile and create a separate service draft.

虚拟申请草稿；未生成签字链接或发票。 / Synthetic application draft; no sign link or invoice generated. 分段放大同一真实截图，按 1→2→3 阅读。 / Enlarged parts of one real screenshot, in order.

Complete in this order

1. Open School Applications from the student profile and verify the student.
2. Select Create draft. School-application billing is separate from lesson hours.

STOP: If the name, amount, permission, status, or button differs, do not continue or click again. Preserve the screen and contact the workflow owner.

Complete and check the parent details, schools, programmes, fees and payment arrangements, then save the draft.

同一学校表格水平滚动前后截图；虚拟数据。 / Same school table shown at two horizontal positions; synthetic data.

Complete in this order

1. Enter the correct parent information and select the schools, programmes, grades and intakes.
2. Check service and official fees and payment arrangements, then save. Scroll the table horizontally for more columns.

STOP: If the name, amount, permission, status, or button differs, do not continue or click again. Preserve the screen and contact the workflow owner.

Review the agreement and generate the current signing link; verify status and PDF after signing.

虚拟申请草稿；未生成签字链接或发票。 / Synthetic application draft; no sign link or invoice generated.

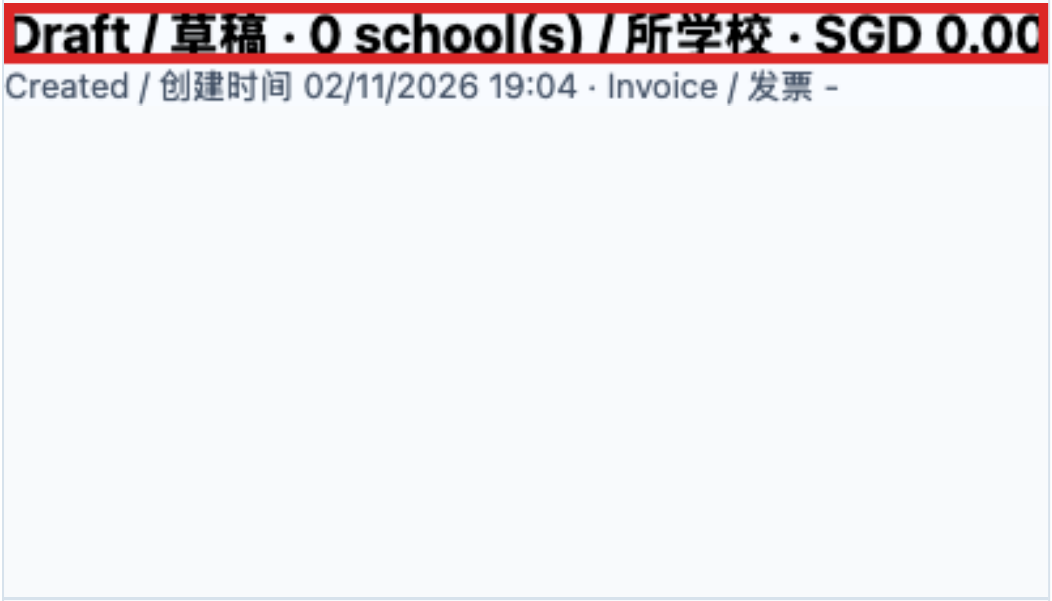

Complete in this order

1. Verify the parent details, schools and fees. The system requires one to five schools and a positive total.
2. Select Generate sign link and send the current valid link; after changing a saved agreement, review the link again.

STOP: If the name, amount, permission, status, or button differs, do not continue or click again. Preserve the screen and contact the workflow owner.

ENGLISH WORKFLOW · STEP 4 OF 5

Check the invoice generated after signing and hand it to Finance; avoid duplicate invoices.

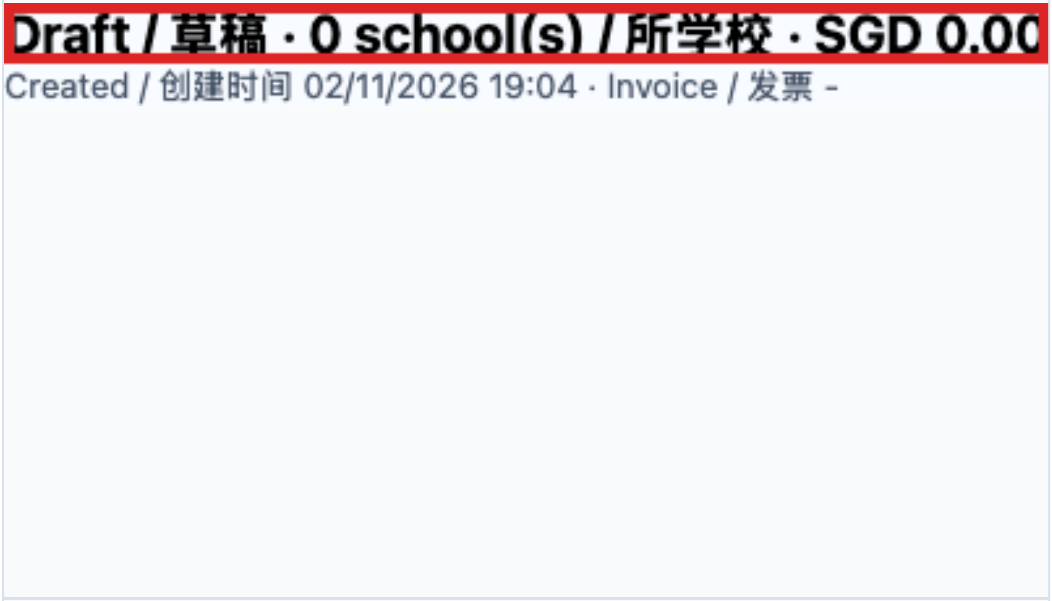

虚拟申请草稿；未生成签字链接或发票。 / Synthetic application draft; no sign link or invoice generated.

Complete in this order

1. After signing, check the agreement status, signed PDF and invoice number, then hand over to Finance.
2. The system creates an invoice when signing completes. Do not issue a duplicate before checking the result; the screenshot shows an unsigned draft.

STOP: If the name, amount, permission, status, or button differs, do not continue or click again. Preserve the screen and contact the workflow owner.

Check agreement and invoice status on the service page; follow the organisation’s current process for application progress.

虚拟申请草稿；未生成签字链接或发票。 / Synthetic application draft; no sign link or invoice generated.

Complete in this order

1. Use the service page to check agreement and invoice status and escalate discrepancies.
2. The page covers agreement and billing; follow the organisation’s current process separately for application progress and external replies.

STOP: If the name, amount, permission, status, or button differs, do not continue or click again. Preserve the screen and contact the workflow owner.

Report completion only when every item is true

Employee self-check

- The account, platform, role, and target record are correct.
- Every step was completed in order.
- The expected final status remains after refresh.
- Non-sensitive evidence of the result was saved.
- You can explain who handles an exception.

Stop and escalate

- Required data or permission is missing.
- The page, button, or status differs from the guide.
- An unauthorised action would affect finance, contracts, packages, payroll, live sessions, or parent-visible content.
- The final state cannot be verified.
