ENGLISH SECTION · FINAL CHECK

Report completion only when every item is true

Employee self-check

- The account, platform, role, and target record are correct.
- Every step was completed in order.
- The expected final status remains after refresh.
- Non-sensitive evidence of the result was saved.
- You can explain who handles an exception.

Stop and escalate

- Required data or permission is missing.
- The page, button, or status differs from the guide.
- An unauthorised action would affect finance, contracts, packages, payroll, live sessions, or parent-visible content.
- The final state cannot be verified.
