Academic Parent Invitation and Parent Mini Program Binding

- 1 Academic opens Parent Portal Access from the correct Student 360 record and checks the student and existing bound parents to avoid duplicates or wrong-student binding.
- 2 Academic generates a one-time parent invite and sends the code or system-provided `/pages/bind/bind`` path only to the verified parent of that student.
- 3 The parent opens Boss Education Assistant and chooses Parent Entry; if the active identity is uncertain, exit the wrong account first.
- 4 The parent enters the invite code, selects the true relationship, optionally enters name and phone, then confirms binding.
- 5 Academic returns to Parent Portal Access and verifies parent name, relationship, ACTIVE status, and schedule/feedback/finance/report/request permissions.
