

老师端完整操作 SOP

课表、反馈、学生历史与工资确认

本手册帮助老师用最少步骤完成每天必须做的事情：确认课程、点名、提交课后反馈、查看带课学生的过往反馈、处理退回修改，并核对工资。每一步同时说明网页端与员工小程序的入口。

适用角色 / Role Teacher / 老师	系统入口 / Entry Teacher Portal / 员工小程序老师身份	完成目标 / Goal 课程与反馈闭环	版本 / Version 2026-07-18 · v1.0

截图说明 / Screenshot note: 所有截图由 Playwright 从正式站点使用一次性培训账号采集；账号和会话已清理。红框只标示操作位置，不代表可跳过审核。 / All screenshots were captured from production with temporary training accounts and annotated with red callouts. Temporary accounts and sessions were removed.

先记住：6 条硬规则 / Six non-negotiable rules

01

中文

1. 先确认课程，再上课；时间、学生或地点不对，立即联系教务。
2. 课后反馈必须针对本节课，不能复制旧内容。
3. “已提交”不等于“家长已看到”；教务审核发布后才可见。
4. 老师原文永久保留；教务只编辑家长展示版。
5. 看到“已退回”必须按原因修改并重新提交。
6. 工资单按月核对，确认前检查课时、金额和异常。

English

1. Confirm the lesson before teaching; report any wrong time, student, or location immediately.
2. Feedback must describe the actual lesson and must not be copied from an old entry.
3. Submitted does not mean visible to parents; Academic Operations must review and publish it.
4. Your original text remains unchanged; staff edit only the parent-facing version.
5. Returned feedback must be corrected and resubmitted.
6. Verify hours, amount, and exceptions before confirming payroll.

每天从工作台开始 / Start every day from the dashboard

中文

网页：登录后进入“老师工作台”。先看“今日课程、明日预览、今日确认状态”，再处理“我的任务”。

小程序：进入员工工作台，确认当前身份为“老师”；优先打开“今日课程、待办、学生反馈、工资”。

English

Web: Open Teacher Dashboard and review Today, Tomorrow preview, confirmation status, and My Work cards.

Miniapp: Enter Staff Workbench, confirm the Teacher identity, then open Today's lessons, Tasks, Student feedback, and Payroll.

红框：先查看今天/明天，再按任务卡处理。 / Red boxes: check today/tomorrow first, then work through task cards.

确认课程与异常上报 / Confirm lessons and report issues

03

中文

1. 打开“我的课程 / My Sessions”。
2. 逐节核对日期、时间、学生、科目、线上/线下地点。
3. 确认无误后完成课程确认。
4. 如有问题，不要自行改课；通过排课协调或联系教务，写清正确安排。

English

1. Open My Sessions.
2. Verify date, time, student, subject, and online/offline location.
3. Confirm the lesson when all details are correct.
4. Do not change the schedule yourself. Send a scheduling coordination request with the correct details.

培训账号没有真实课程，因此列表为空；正式账号会显示本人课程。 / The training account has no live sessions; your production account will show assigned lessons.

停止点 / Stop condition: 学生、时间或地点任一不一致，都不要先点确认。 / Do not confirm if any student, time, or location is incorrect.

课后点名与反馈提交 / Attendance and lesson feedback

中文

- 1. 课程结束后打开该节课程详情。
- 2. 先完成点名；确认出席、请假、缺席状态。
- 3. 填写本节内容、学生表现、作业/下一步建议。
- 4. 检查是否出现不适合家长的内部措辞。
- 5. 提交后状态变为“待审核”。

English

- 1. Open the lesson detail after class.
- 2. Complete attendance first.
- 3. Enter lesson content, performance, homework, and next steps.
- 4. Check for unclear or inappropriate wording.
- 5. Submit; the status becomes Pending Review.

Current finding / 目前发现

What is the real learning bottleneck you observed? / 你观察到的真实学习卡点是什么?

Example / 示例

She understands the topic but jumps between ideas too quickly.

Class performance / 课堂表现

What visible progress, effort, accuracy, or difficulty appeared in class? / 课堂上有什么可观察的进步、投入度、正确率或困难?

Example / 示例

She improved 3 out of 5 topic sentences independently.

Next plan / 下一步计划

What will you train next, ideally with a time range or clear focus? / 接下来会训练什么，最好写清时间和范围或重点方向。

Example / 示例

Over the next two weeks we will train paragraph expansion and linking words.

What parents should know / 家长需要知道

What should the parent understand so they do not misread the student's situation? / 家长应该如何理解孩子目前的状态，避免误判?

Example / 示例

This is a writing-structure habit, not a motivation issue.

Parent-facing preview / 家长可见预览

Lesson focus / 本节课重点:
The student worked on making paragraph logic clearer.

Current finding / 目前发现:

真实老师端反馈表单示例。 / Real Teacher Portal feedback form example.

理解反馈状态 / Understand feedback statuses

状态 / Status	老师要做什么 / Teacher action	家长是否可见 / Parent visibility
待审核 / Pending Review	等待教务审核；不要重复提交。 / Wait for review; do not duplicate.	不可见 / No
已退回 / Returned	阅读退回原因，修改后重新提交。 / Read reason, revise and resubmit.	不可见 / No
已发布 / Published	无需再操作；如发现事实错误立即通知教务。 / No action unless a factual error is found.	可见 / Yes
更正中 / Correction	配合确认最新事实。 / Help verify the corrected facts.	以最新发布为准 / Latest version

关键区别 / Key distinction: 系统保留老师原文，教务另做家长展示版；这保证教学记录和家长沟通都可追溯。 / The system preserves the teacher original and stores a separate parent-facing version.

查看学生过往所有老师反馈 / Review cross-teacher student history

06

中文

1. 打开“学生反馈 / Student Feedbacks”。
2. 选择当前带课学生。
3. 按日期倒序阅读不同老师的历史反馈。
4. 只用于备课和教学衔接，不得转发给无关人员。
5. 发现长期重复问题时，在本次反馈中写清变化和下一步。

English

1. Open Student Feedbacks.
2. Select a student you currently teach.
3. Read feedback from all previous teachers in reverse chronological order.
4. Use it only for lesson preparation and continuity; never forward it externally.
5. If a pattern repeats, state the change and next step in your new feedback.

红框：学生历史反馈入口与列表区域。 / Red box: cross-teacher feedback history area.

反馈被退回时怎么改 / How to revise returned feedback

07

中文

1. 打开待办或反馈记录，找到“已退回”。
2. 先读退回原因，不要只改一个字就提交。
3. 补足缺失事实：课堂内容、表现依据、作业或下一步。
4. 不要删除真实问题；改成客观、可执行的表达。
5. 重新提交并确认状态回到“待审核”。

English

1. Open the returned item from Tasks or Feedback history.
2. Read the return reason before editing.
3. Add missing facts, evidence, homework, or next steps.
4. Keep genuine concerns but express them objectively and constructively.
5. Resubmit and confirm the status returns to Pending Review.

示例 / Example: “学生不认真”改为“本节 3 次需要提醒回到题目；建议下节先用 10 分钟复习分数运算”。 / Replace “The student was careless” with observable evidence and a concrete next step.

工资单查看与确认 / View and confirm payroll

08

中文

1. 进入“财务 / Finance”→“工资 / Payroll”。
2. 选择月份，核对总课时、每节记录、费率和金额。
3. 检查取消课、代课、补课和异常调整。
4. 无误后点击确认；有误先提交问题，不要勉强确认。
5. 确认后保留系统记录。

English

1. Open Finance → Payroll.
2. Select the month and verify total hours, lesson rows, rate, and amount.
3. Check cancellations, replacements, make-up lessons, and adjustments.
4. Confirm only when correct; report discrepancies first.
5. The confirmation remains in the audit trail.

红框：工资核对与确认区域。 / Red box: payroll verification and confirmation area.

小程序操作日志 / Miniapp operation logs

09

中文

小程序中的关键操作会写入日志，包括登录、点名、反馈提交、重新提交、工资确认和排课协调。操作后看到成功提示，再返回列表确认状态。

如果点错了，不要连续重复点击。记下时间、页面、课程/学生和刚才的动作，立即告诉教务。

English

Key miniapp actions are logged: login, attendance, feedback submission/resubmission, payroll confirmation, and scheduling coordination. Wait for the success message and verify the resulting status.

If you make a mistake, do not keep tapping. Record the time, page, lesson/student, and action, then contact Academic Operations.

不要做 / Do not: 不要用另一个账号“修正”，不要删除聊天证据，不要重复提交相同反馈。 / Do not switch accounts to “fix” a mistake, delete evidence, or submit duplicates.

常见错误与正确处理 / Common mistakes

错误 / Mistake	正确处理 / Correct action
提交后看不到家长端	这是待审核状态；联系教务查看，不要重复提交。 / It is pending review; ask Academic Operations, do not duplicate.
课程时间不对	提交排课协调/联系教务，不自行修改。 / Submit scheduling coordination; do not self-edit.
学生历史为空	确认是否选择正确学生、是否具有带课关系；仍为空联系管理员。 / Verify student and teaching relationship, then contact Admin.
工资金额不符	截取该月明细，写清具体课程和差额，先报错后确认。 / Screenshot the row and report the exact difference before confirmation.
小程序按钮无反应	等待 5 秒，返回重进一次；记录时间和页面并上报。 / Wait five seconds, reopen once, then report with time and page.

老师每日完成清单 / Teacher daily checklist

11

中文

- ☐ 已核对今日与明日课程
- ☐ 所有已上课程完成点名
- ☐ 所有已上课程提交真实反馈
- ☐ 已处理全部退回反馈
- ☐ 已阅读相关学生历史反馈
- ☐ 月末已核对工资单

English

- ☐ Today and tomorrow lessons checked
- ☐ Attendance completed for every taught lesson
- ☐ Accurate feedback submitted for every lesson
- ☐ All returned feedback revised
- ☐ Relevant student history reviewed
- ☐ Monthly payroll verified

完成标准 / Definition of done: 工作台待办归零；课程状态正确；反馈处于待审核或已发布；工资无未处理异议。 / Task cards are clear, lesson statuses are correct, feedback is pending review or published, and payroll has no unresolved discrepancy.
